Re: *United States v. Narco Freedom Inc. (14 Civ. 8593)*

Dear Judge Koeltl:

We write to correct a statement in our letter to the Court yesterday concerning hearing dates in this matter and a related New York state proceeding.

In our letter we incorrectly identified November 19, 2014 as the date for the hearing currently scheduled on Plaintiff's motion for a preliminary injunction in this matter. The actual date for that hearing is November 18, 2014. Accordingly, there is no conflict between that hearing and a hearing scheduled by the New York State Office of Alcoholism and Substance Abuse Services ("OASAS") on its intent to appoint a temporary operator for Narco Freedom's OASAS-regulated programs.

However, we submit that the other reasons set forth in our letter yesterday warrant an extension of the briefing schedule and hearing on Plaintiff's motion for a preliminary injunction and, pursuant to Local Civil Rule 37.2, an informal conference with the Court to discuss discovery and other logistics and preparations for the hearing.

We appreciate Your Honor's kind consideration and prompt attention to this request.

Respectfully,

/s/ *Linda J. Clark*
